

2008-09 Compilations and Reviews

Description

This CCH Integrated Engagement title shows how to conduct compilations and reviews in the most efficient and thorough manner possible, and examines all applicable compilation and review standards. It guides the user through the various aspects of compilations and review engagements—planning, performance, documentation, and reporting, and includes careful discussion of the relevant professional standards, in-depth analysis, and numerous illustrations. Included are numerous practice aids—work programs, sample correspondence, and sample reports.

Compilations and Reviews include the following comprehensive content:

- ◆ **Reports** - Various sample compilation and review reports.
- ◆ **Workpapers** - Engagement acceptance, other auditor correspondence, and financial statement checklists.
- ◆ **Disclosure** - Financial statement disclosure checklists.
- ◆ **Excel** - Bank reconciliations, analytical workpapers, and worksheets.
- ◆ **General** - Engagement checklists and supplemental client-prepared notations.
- ◆ **Letters** - Compilation and review engagement letters, management representation letters, and reports.
- ◆ **Work Programs** - Standard compilation and review engagement programs.
- ◆ **Templates** - Audit binder, account grouping, and trial balance templates.

[Download the Installation and Usage Instructions](#)

Note: When adding licenses for a CCH title, if the title does not appear in the Assign License screen in ProSystem *fx* Engagement Administrator, you must download and run the [ProSystem *fx* Engagement Update Utility](#) using the most current [License Update File](#).* The License Update File may be required for versions of ProSystem *fx* Engagement 5.0 and prior.

How to install:

1. Close all Microsoft programs and ProSystem *fx* Engagement.
2. [Download](#) the 2008-09 Compilations and Reviews.
3. After the download is complete, follow the Install and Usage Instructions to install the 2008-09 Compilations and Reviews.

Note: The password to extract the installation file can be found on the mailed copy of the release bulletin.
