

ProSystem fx Tax v. 2009.05010 2009 New York MTA Scan

An issue has been identified on Release 2009.05000 regarding New York MTA returns. The prior year tax number for MTA returns was not included as a Pro Forma item; this number is necessary for purposes of the 2010 Form MTA-9 exception calculation. This issue will be resolved on Release 2009.05010.

This scan identifies all returns containing a New York Form MTA-6.
