This bulletin provides important information about the 2020.02020 release of CCH ProSystem *fx* Planning. Please review this bulletin carefully. If you have any questions, additional information is available on CCH Support Online. As previously communicated, we now provide software downloads for all releases. For more information on how to use Software Delivery Manager, click here.

New in this Release

Opening Planning and Printing - Crystal Reports®

When opening the Planning application v. 2020.02010, some customers reported failures initializing Crystal Reports®. Those receiving the error also experienced issues when printing. These issues will be corrected on the Planning 2020.02020 release.
