[Return to Table of Contents.](#)

Federal

Returns with Indiana and/or Rhode Island activated will now roll forward without receiving an error in CCH Access.

Illinois

Illinois will accept binary attachments for electronically filed returns starting in accordance with the 2020 filing season start date. The optional PDF section can now be used to transmit this additional information to the state. Diagnostic 34143 has been removed in accordance with this.

New York

This release contains program reactions to the New York legislature's decoupling from certain provisions in the Federal CARES Act.

Differences between federal business interest deduction and New York related to these changes are reported as additions to income. This amount will be automatically calculated based on the information present in the return.

In addition, new code A-511 as well as input override is provided for the increase in interest deduction included in the computation of your FTI attributable to the use of 50% of adjusted taxable income rather than 30%.

New input has also been provided for the corporation to account for the Article 22 decoupling amounts from a pass-through entity. Use New York > Income/Deductions > Additions and New York > Income/Deductions - Subtractions to enter this information.

S Corporation (1120S) Product Updates

[Return to Table of Contents.](#)

Illinois

Illinois will accept binary attachments for electronically filed returns starting in accordance with the 2020 filing season start date. Optional PDFs may be used to transmit additional information to the state. Diagnostic 38037 has been removed.

New York

This release contains program reactions to the New York legislature's decoupling from certain provisions in the Federal CARES Act.

Differences between federal business interest deduction and New York related to these changes are reported as additions to income. This amount will be automatically calculated based on the information present in the return.

In addition, new code A-511 as well as input override is provided for the increase in interest deduction included in the computation of your FTI attributable to the use of 50% of adjusted taxable income rather than 30%.

New input has also been provided for the corporation to account for the Article 22 decoupling amounts from a pass-through entity. Use New York > Income/Deductions > Additions and New York > Income/Deductions - Subtractions to enter this information.

If S corporation shareholder adjustments are not in proportion to share ownership use per-shareholder overrides for the above amounts using input on Federal - Shareholder Information - State Specific > New York.
