

ATX™ Learning Portal

ATX Learning Portal

Wolters Kluwer offers both on-demand training options, as well as live Q&A sessions via webinar to assist you in setting up and using your tax program.

To access these training options:

1. Navigate and Login to <https://support.atxinc.com/>.
2. From the **Training** menu, hover over **ATX Learning Portal**, and select from the available learning paths.

- i** If you have not already logged in to the ATX Solution Center, you will be prompted to do so for this feature.

3. Login using your Client ID, username Admin, and your password.

The Support Site displays the selected Learning Path. There are three tabs on each page: Learn, Practice, and Engage.

ATX Learning Portal

The ATX Learning Portal provides a guided learning path designed to help you get the most out of your new software. Video guides, practice resources, and online support will ensure a quick and successful start to your ATX experience.

Learn Practice Engage

The **Learn** page contains several modules, which you can expand to see links for various videos on setting up and using your tax program.

Becoming a Preparer or ERO

Becoming a Preparer or ERO

Click the link above to access the Learning Path.

Setup and Administrative Functions >

Central Office Manager (COM) >

Preparing a Return >

Finalizing and e-Filing a Return >

Support Site Resources >

4. Within each module, click the links to access specific videos, or the **Additional Resources and Documentation** link to view the accompanying PDF documentation.

Accessing and Navigating ATX

In this module, you will learn how to download and install your ATX software, as well as how to bring forward prior year data. Click the links below to watch a specific lesson.

Additional Resources and Documentation

5. The **Practice** page contains practice return scenarios you can download to assist you in becoming more comfortable entering data in returns.

Learn **Practice** Engage

Below you will find practice scenarios for filing federal returns. Click the button for the scenario type you would like to key into ATX. Open the downloaded file to access provided scenarios. Key in each scenario into your tax program. Answer keys have been provided so you can check your work.

1040 Practice Scenarios

Beginner scenarios provide a basic understanding of common 1040 form usage and data entry. Intermediate scenarios include topics of, but not limited to, healthcare coverage, childcare expenses, and rental income. Advanced scenarios topics include, but not limited to, estimated payments, AGI adjustment, and other related topics. Click each Scenario to download Practice Return Data.

[Beginner](#) [Intermediate](#) [Advanced](#) [Answer Key](#)

1065 Practice Scenarios

Scenarios provided can be entered into the IRS 1065 form. Click the button below to download Practice Return Data.

[1065](#) [Answer Key](#)

1120 & 1120s Practice Scenarios

Scenarios provide can be entered into the IRS 1120 and the 1120s forms. Click the button below to download the practice return data.

[1120/1120s](#) [Answer Key](#)

i Note, the answer key will be updated periodically to include new calculations as they become available in new versions of the software.

6. Click the **Beginner, Intermediate, Advanced, 1065 and/or 1120/1120s** buttons to download scenarios based on level of difficulty, or the **Answer Key** button to download the answers for each scenario.

7. The **Engage** page displays a link to register for a live Q&A webinar, where you can ask questions on administrative features, or preparing returns in your tax program.

The screenshot shows the ATX Learning Portal page. At the top, there is a navigation bar with 'Tax & Accounting' and a search bar. Below the navigation bar, there are links for 'Home', 'Support Cases', and 'Knowledge Databases'. The main content area features a heading 'ATX Learning Portal' with a subtext: 'The ATX Learning Portal provides a guided learning path designed to help you get the most out of your new software. Video guides, practice resources, and online support will ensure a quick and successful start to your ATX experience.' To the right of the text is a photograph of a woman sitting at a desk in an office, looking at a document. Below the text, there are three buttons: 'Learn', 'Practice', and 'Engage', with 'Engage' being the active button. A note below the buttons states: 'Once you have completed the ATX on-demand curriculum and you still have questions, you can register for a live question and answer session with a product expert. Use the links provided below to register for a live ATX Administrator or the ATX Preparer Question and Answer Session.' A 'ATX Question & Answer Session' button is highlighted. Below that, there is a note: 'For more information on how to register for these sessions, refer to: [How do I register for ATX product training?](#)' and 'To request assistance or to contact our support team, please visit [Support Site](#) to access additional product information or to open a support case.' At the bottom of the page, there is a footer with social media links for Wolters Kluwer, a 'Follow Wolters Kluwer' section, and a 'Wolters Kluwer' logo. The footer also includes a 'Privacy & Cookies' link, a 'GRCADVISOR VERIFIED & SECURED' badge, a copyright notice: '© 2025 Wolters Kluwer N.V. and/or its subsidiaries', a 'Chat with our virtual assistant' button, and a 'When you have to be right' tagline.

8. When you click one of the links to register for a Q&A session, you will be directed to the registration page for that event.

This webinar is offered several times. Select the date and time that works best for you.

Wed, Jun 19, 2024 11:00 AM - 12:00 PM EDT

Show in My Time Zone

After reviewing the ATX on-demand content, this webinar provides attendees with an opportunity to ask specific questions they still have regarding setting up ATX, or other administrative roles within the program.
