Enroll Today!

Set yourself up for a successful tax season by enrolling early! WK enrollment opens in early October to allow you to get a jump on tax season and to get signed up early with the banking provider of your choice. Ready to get started? Click on the link below and start your enrollment process today. Still have questions? Review the links below for additional information.

Unsure which banking partner is right for you?

We suggest you take the time to research the providers we work with, their offerings and any associated fees. Click [here](#) for a complete list of WK providers. Still not sure which provider is right for you? Click on the [enrollment link](#) and review the comparison chart along with our FAQs. Once you have decided, let the enrollment wizard guide you through the process. It is really that easy!

What happens after you have completed your application?

Click on your enrollment link to view your status on the enrollment dashboard. Check back periodically for status updates from your chosen provider(s). After your provider has approved your application, they will send you a link to login to their web site allowing you to complete your compliance, order check stock and/or cards, along with the option to opt-in to additional products.

What should I do prior to the start of tax season?

Before the season starts, we ask that you verify the following information is correct:

- Verify the Check Print EFIN and fee structure listed on the enrollment dashboard displays the correct information.
- Verify and understand the fee structure that you have setup. These fees may include Transmission Fee, Solutions Fee, and Technology Fee. You may also be eligible for a Transmission Fee Split Rebate. Any fee changes will need to be made prior to January 1st. Note: Not all fees listed may apply to your account.
- Verify that you have completed all required information from your provider and show the correct enrollment and product opt in status.
- Download Partner Verification*
- Configure your printer and align checks**

*In TaxWise, select Partner Verification in the Setup Assistant. In TaxWise Online, select Partner Verification from Settings. In ATX, select Enrollment Manager from the Tools menu in Bank Manager.

**For online check printing, use the Print Checks menu in the software or login to the OCP site and select Configure Printer to align your checks. You will use your support site login credentials to access this site.
