

CCH Axcess™ Document and Integrated Portal

Welcome to CCH Axcess Document and Integrated Portal 2022-4.1

This bulletin provides important information about the 2022-4.1 release of CCH Axcess™ Document and Integrated Portal. Please review this bulletin carefully. If you have any questions, additional information is available on CCH [Support Online](#).

New in this Release

Client Access

Client Access has been updated with the latest security technology. Client Access will still be accessed from the same URL, and login information will remain the same. Users will find the same functionality, but some areas might look slightly different. This option applies only to customers who are licensed for Integrated Portal.
