Updated Help Documentation

New content is available in the CCH Axcess iQ help documentation. In addition to enhancing our existing documentation, we have added several new articles for specific use cases.

- Explanation of the setup process for iQ and how new users can get up and running as quickly as possible.

- Best practices that have brought success for iQ power users who put them to use.

- Additional guidance for firms who wish to strengthen their tax advisory services by standardizing a regular event triage process.
