#### Arizona

Qualified Business Income Deduction (QBID) no longer is reported on the Other Subtractions line of the Forms 140, 140NR and 140PY.

#### California

Schedule CA, Line 29 calculates based on the itemized deductions limitation worksheet when the filing status selected is married filing separately - not itemized, and itemized deductions are being forced on the California return.

#### Massachusetts

Massachusetts Schedule C, Line 31, Net profit or loss, includes entertainment expenses.

#### Michigan

Form 4884 generates when one filer meets the age criteria for the pension exclusion deduction, but the other filer has the qualifying income.

Schedule 1, Line 23F is only marked if input indicates that spouse or both filers receive retirement benefits from an SSA exempt employer.

#### Montana

The preparer name prints on the paid preparer's signature line.

Use Montana > General > Options > Filing Status 2b if filing 1040NR field when Federal Form 1040NR is prepared in the return and filing status 2b is required for Montana.

When the taxpayer's filing status is 2b or 2c on Form 2, the Social Security Schedule on Page 5, Line 10 is \$16,000 and Line 12 is \$16,000.

#### Nebraska
