2018 Tax Updates

All Systems

Minnesota - Updates related to recent Minnesota legislation moving their date of conformity to December 31, 2018, are now available. All Minnesota returns that include values in fields labeled "this line intentionally left blank" or those calculated using releases prior to 2018-4.2 will be stopped by CCH.

Corporation, S Corporation, Partnership, Tax Exempt

Federal - Form 8990 is now available for filing as a library form along with Form 5471. This form is automatically attached as a PDF attachment for electronic filing. This feature is only available in Worksheet View > View > Full Window Worksheets List.

Corporation, S Corporation, Partnership

Tennessee - Per recent guidance from Tennessee Notice 19-13 and 19-14, updates are available for reporting GILTI income and Section 965 income.

Corporation

Florida - Florida will require corporations to provide additional information to the Florida Department of Revenue for the 2018 tax year when Form 8992 is present and a subtraction for GILTI income is reported on FL 1120. The Florida Department of Revenue will have a method to submit this information on its Web site by September 3, 2019. This information must be submitted to the Florida Department of Revenue by the earlier of (a) 10 days after the extended due date of the Florida return or (b) 10 days after the Florida return is filed. However, any submission that would have been due before September 3, 2019, will be considered timely submitted if it is submitted by September 3, 2019.

The penalty for not submitting this information is the greater of \$1,000 or 1% of the tax due on the last Florida return filed by the taxpayer. This provision applies retroactively to January 1, 2018.

2018 Electronic Filing

Corporation

Indiana - Indiana will be available for electronic filing on September 3, 2019. Electronic filing diagnostics and verbiage will be available for review if electronic filing is requested, but export of the data will not be allowed until September 3.

Tax Product Updates

Individual (1040) Product Updates

Return to [Table of Contents](#).

Federal

Form 8936. Foreign tax credit is now included on Line 21.

Net operating loss. The correct amount of charitable contribution is absorbed by a net operating loss when there are multiple categories of charitable contributions and one of those is 60% charitable contributions.

QBI (Section 199A) Worksheet. Current year non-passive losses with prior year passive losses report the 2018 allowed loss on the Net QBI Worksheet and any disallowed passive loss from Form 8582 is reported as a 2017 carryover on the QBI Carryover Worksheet.

Name of person filing is present on Form 8858 Schedule M.

Michigan

Form MI-461, Line 6, Wage and unemployment adjustment is now reported as a negative number.

Michigan - Michigan Cities

Multiple cities can now be amended using the CF1040X.

Minnesota

Minnesota has passed legislation which moves their date of conformity to 12/31/2018. Form and program updates received from Minnesota will be available in the 2018-4.2 release version. Any Minnesota returns calculated using a version of the software older than 2018-4.2 or have values in fields which have been labeled "this line intentionally left blank" will be rejected by Minnesota. Several updates are available on this release.

Forms no longer in the menu:

- Schedule M15, Underpayment Penalty, is not in the menu and no penalty will be calculated or carry to Form M1.
- Schedule M1LK, Like-Kind Exchange, is not in the menu. It was only necessary to calculate M1NC, Line 8, which is now obsolete.
- Schedule M1NC Line 11 Bonus Depreciation and Line 12 Section 179 worksheets are not in the menu anymore. M1NC, Lines 11 and 12 are now obsolete as Minnesota uses the same limits as Federal.

For lines which are labeled "This line intentionally left blank", nothing will calculate for or carry to these lines:

- Schedule KPINC, KSNC, KFNC Lines 1 to 8, 11, 19, 21, 25, and 26 non-conformity adjustments passed to partners.
- Form M1, Line 31 - M15 underpayment penalty total.
- Schedule M1NC Lines 8, 10 to 15, 17 to 19, 22, 26, 28, and 31 non-conformity adjustments.

Nebraska

Form 1040N Schedule I, Line 26 reports Social Security included in Federal adjusted gross income for nonresident returns or part-year resident returns where Nebraska is not the home state. The adjusted amounts on this line affect Form 1040N, Line 13 and Form 1040N Schedule III, Line 4.

New Hampshire

NH BT-Summary filing instructions now print the updated mailing address.

New York

NY Form IT-216 calculates a credit without requiring earned income from a deceased spouse.

Pennsylvania

Schedule C, Line 13b includes Section 179 expense for assets with Method "CS".

Schedule C, Schedule C-2, Line 1 includes prior year Section 179 carryover.

When separate input is made for taxpayer and spouse for Schedule GL, the income on Page 1 of the PA 40 will no longer change to \$0 on Lines 4 and 6.

Tennessee Electronic Filing

Form FAE 170 does not export when Electronic Filing > General > File other returns electronically equals "No" and Tennessee Other > Limited Liability Company > File FAE 170, FAE 173, and FAE 183 electronically is blank.

West Virginia

WV Schedule A, Lines 21B and 21C correctly show an IRA deduction as an other adjustment for Part-Year and Non-Resident returns.

Corporation (1120) Product Updates

[Return to Table of Contents.](#)

Federal

Form 5471, Schedule E reflect correct totals for each schedule.

Form 8990 behind Form 5471 has been added as a library form. The form generates by government inputs and selecting what entity of Form 5471 the form should be attached to. Form 8990 is automatically attached as a PDF attachment for electronic filing.

Part IV Line 4 taxable income now includes interest deduction before Form 8990 limitation. Otherwise, you may override Line 4 on Foreign > 8993 - Section 250 deduction for FDII and GILTI > Taxable income - override.

Consolidation

For a Life/Non-Life mixed group consolidated return the print position on Line 30 and Line 31 of Form 1120, Page 1 was adjusted.

Power Pack

The adjustment for company method loss reserve discounting now automatically carries to Form 1120-PC Page 2, Line 13. Additional options are provided to not carry the adjustment, or to carry with additional detail on Insurance > Trial Balance and Other Information > 5-Options and Other Information.

Alabama Electronic Filing

Electronic filing diagnostics 48878, 48879, 48892, 48893 and 47604 will now issue for Form 20C, Schedule E lines 1 through 5, for negative amounts, invalid information and math errors.

Florida

Corrected Florida Estimated Tax Worksheet Line 2 to allow the field to be overridden when requested.

Florida will require corporations to provide additional information to the Florida Department of Revenue for the 2018 tax year when Form 8992 is present and a subtraction for GILTI income is reported on FL 1120. The Florida DOR is to have on its website by September 3, 2019 a method to submit this information. This information must be submitted to the FL DOR by the earlier of (a) 10 days after the extended due date of the Florida return or (b) 10 days after the Florida return is filed. However, any submission that would have been due before September 3, 2019 will be considered timely submitted if it submitted by September 3, 2019. The penalty for not submitting this information is the greater of \$1,000 or 1% of the tax due on the last Florida return filed by the taxpayer. This provision applies retroactively to January 1, 2018.

Hawaii

Form N-755 extension for Franchise Tax return now properly locks after the due date.

Hawaii Franchise Tax Extension payment carrying to F-1 when extension is locked.

Hawaii Electronic Filing

Negative number on Schedule O, Lines 1 and 11 will no longer cause electronic filing disqualification.

Indiana Electronic Filing

Electronic filing will be available for Indiana Form IT-20 on this release starting September 3, 2019. Until that time, if electronic filing is activated for Indiana any disqualifying diagnostics will issue but Indiana will not show up on the Electronic Filing Status Report as anything other than Not Allowed, and the IT-20 return will not be included in the electronic file.

Iowa

Iowa nonconformity worksheet reflects amount for Line 3 when a limitation is present on Form 8990.

Kansas

Consolidated returns with Form K-120EX will no longer crash during return group calculation.

Kansas Annual Report instructions will not print when the Annual Report has been suppressed.

Massachusetts

Federal section 250 deduction is no longer added back to MA Form 355, Schedule E or Form 63FI, Schedule A.

Minnesota

Updates to forms and calculations are being made to Minnesota forms due to legislation recently passed. Generally, Minnesota will conform to the federal IRC in effect 12/31/2018. Forms and calculation updates will be available in release version 2018-4.2. Returns not having these form and calculation updates will be rejected by Minnesota starting on or about August 15. Returns exported on or after that date will show a status in the electronic filing status system that an update is required and the return is calculated before the return can be transmitted to Minnesota.

Updates that are available on this release are:

- Schedule LK, Like-Kind exchanges, has been removed.
- Schedule M15C, Underpayment of Estimated Tax, has been removed.
- Schedule M15NP, Underpayment of Estimated Tax for Exempt Organizations, has been removed.
- The worksheets for Bonus Depreciation and Section 179 Expensing have been removed.
- Schedule M4NC, Adjustments Due to Federal Changes not Adopted by Minnesota, has had all lines changed to "intentionally left blank" except for Line 18a (Section 965 Deferred Income) and Line 19 (Inclusion of Global Intangible Low Taxed Income). Line 27 has changed from "intentionally left blank" to "Interest expense limitation for combined reports."
- Form M4, Line 13 has changed to "This line intentionally left blank."
- Form M4NP, Line 26 has been changed to "This line intentionally left blank."
- Loss carryforwards used in 2018 on Schedule NOL will be limited to 80% of the 2018 taxable net income. Note that this does not apply to AMT NOL, which will still be added to the amount of deduction for dividends received and limited to 90% of the Minnesota AMT income on Form AMTT, Line 5.
- Schedule DIV Line 1b, Dividends Received Deduction will be the sum of Schedule M4NC Lines 18a (Section 965 Deferred Income) and 19 (Inclusion of Global Intangible Low Taxed Income).

- Additional input has been added to Minnesota > Credits > Other Credits worksheet for Historic Structure Rehabilitation Credit. The new field "Application submitted > 12/31/2017" will cause one-fifth of the credit to appear on M4, Line 5, M4NPI, Line 5a and the statements for these lines. If the application for the certificate was submitted before 12/31/2017 then the full amount of credit input for that NPS ID will be applied.
- Depreciation will conform to federal and will return to having an 80% addback for bonus depreciation and Section 179 expensing over the limitation amount with the 80% addback subtracted in equal portions over the next five years.

New Hampshire

Consolidated Schedule IV returns will no longer double the amount being carried up from the parent and subsidiary levels.

New Jersey

Changes have been made to more accurately report basis of disposed assets on Form CBT-100, Schedule F, Line 12(f).

Oregon

Amended Form OR-20 filing address has been updated when the return has a balance due.

Pennsylvania - Philadelphia

For new corporations in Philadelphia, Worksheet N Line 1 will show the amount from either BIRT Schedule A, Line 14 or BIRT Schedule B, Line 12 for computation of tax on net income.

Letters and filing instructions for BIRT returns will not display any calculated refund or amount due from Form BIRT-EZ.

Penalties and interest on Line 8 of Form BIRT or Form BIRT-EZ will show only the calculations requested on the Federal > Payments/Penalties/Estimates > Penalties > State/City Late Interest and Penalties worksheet Late Interest, Late Payment, or Late Filing fields.

The amount on BIRT Schedule A, Line 7 will always display the appropriate gain or loss indication.

The amount on the carryovers report for state tax refunds will show the amount credited to next year's estimate in addition to the amount refunded for Philadelphia.

Tennessee

Tennessee passed legislation for GILTI income and Section 965 income reporting. The state adjustments will be subtracted on Schedule J as an addback. Form FAE 170 subtraction for GILTI and 965 income is reported on Schedule J, Line 18 and an add back of five percent of that amount on Schedule J, Line 4. Form FAE174 subtraction for GILTI and 965 income is reported on Schedule J, Line 22 and an add back of five percent of that amount on Schedule J, Line 7.

Vermont Combined

In Combined - Unitary returns with foreign dividends, the box to indicate a loss to the left of Line 2 on Form CO-420 will be checked if there is an amount less than zero on the line.

The VT NOL Worksheet will be created in the consolidated return even if no net operating loss carryforward is calculated as used in the parent or subsidiary return. Any current year losses on the worksheet will only display if the loss is calculated at the consolidated level.

S Corporation (1120S) Product Updates

[Return to Table of Contents.](#)

Federal

Form 8990 behind Form 5471 has been added as a library form. The form generates by government inputs and selecting what entity of Form 5471 the form should be attached to. Form 8990 is automatically attached as a PDF attachment for electronic filing.

Medical expenses that are present on the Schedule K-1 Qualified Business Income statement will no longer compound on multiple shareholders K-1's.

Schedule K-1

- Line 17D will reflect the total amount of excess taxable and excess business interest income.
- The override for excess taxable income will honor an entry of zero.

Using Ratio ID's in connection with the Foreign Taxes input will now calculate the amounts correctly and present them on the correct line on the Schedule K-1 or Schedule K-1 Foreign Taxes worksheet.

Alabama

Voucher PTE-V will now activate for Form PTE-C when the Amended check box is marked.

Maryland Electronic Filing

An adjustment has been made to ensure the Apprenticeship credit is included in the electronic file.

Minnesota

Form KS, Lines 32 and 33 now apply for trust shareholders when a composite is requested. Form KS, Line 34 may be forced to calculate when withholding partner information is entered in Shareholders > Shareholder - State Specific > 7 Shareholder State Information.

Minnesota Conformity Update - A tax bill signed into law on May 30, 2019 generally conforms Minnesota law to the Internal Revenue Code for determining your 2018 taxable income. However, taxpayers must still complete some nonconformity adjustments. This bill revised the recognition period for the Historic Structure Rehabilitation Credit along with providing relief from the additional charge for underpayment of estimated tax. Penalty and interest will be calculated on Lines 13 and 14 of Form M3, but any input generating these lines should be removed. Per the state of Minnesota, they will calculate penalties and interest and let you know the amount by mail. You may request the department remove penalty and interest related to the tax law changes by following the instructions in the letter. Diagnostic 28765 was added to inform the customers with this information.

Below are additional changes made:

- Schedule LK, Schedule EST, and Non Conformity worksheets related to Bonus Depreciation and Section 179 were removed.

- Bonus Depreciation and Section 179 calculations on Form KS were returned to the 2016 calculations.
