CCH Axcess™ Tax
2019-6.3
Release Notes

October 31, 2021

Contact and Support Information

Product information can be accessed by visiting Customer Support online: CCH Axcess Product Support.

In addition to product and account information, the Customer Support site offers answers to our most frequently asked questions, forms release status, Knowledge Base articles, training videos, and operating systems compatibility for each CCH Axcess™ module. Access to these features is available 24/7.

The following Web site provides important information about the features and updates included in all CCH Axcess Tax releases: Release Notes.

Visit the Application Status Web page to view the current status of our CCH Axcess applications. The Application Status Web page is updated every 15 minutes.

Go to Contact Us to open a Support case or chat with a representative for assistance.

Information in Tax Release Notes

CCH Axcess™ Tax Release Notes inform you of the enhancements and updates that were made to Tax products and systems with the current release.

Information provided in the Release Notes include the following:

- Contact and Support information
- Updates to Tax technology (such as, electronic filing updates, Organizer, Roll Forward, and technology enhancements)
- Updates made to Tax products (such as, form additions and updates, changes in diagnostics, and changes caused by regulatory updates)

To access a list of CCH Axcess™ Tax Release Notes for the current year and for prior years, visit the Release Notes page on our Customer Support site.

Highlights for Release 2019-6.3

Tax Updates

Individual, Corporation, S Corporation, Partnership

City of Philadelphia System Change- The account number has been updated to 10 characters in length per request from the City of Philadelphia for a system upgrade. When the new system is switched on, submissions will be rejected for "Manifest file failed schema validation" if the return is submitted between Wednesday, October 27, 2021, at 9:00 PM EDT and Sunday, October 31, 2021, when calculated on a release prior to the release that is scheduled to post on Sunday, October 31, 2021. To resolve this reject, update to 2019-6.3, recalculate, and then re-export Philadelphia. This reject will occur due to the timing of Philadelphia's change and CCH's next software update.

Issues Resolved

The following issues were resolved with release 2019-6.3:

- Help function in 2018 1040 returns results in error "Server Error 404."
- In 2019, 990 authorized signer information is blank when Return Configuration Set print signer signature option is checked.
