**Statement For Rev. Proc. 2021-48**, is available for reporting tax exempt income resulting from the forgiveness of a PPP loan.

**K-1 Print Package Updated.** The K-1 print package has been updated to include Schedule K-3 and associated Forms 5471, 5713, 8621, 8858, 8865, and 8883. When these forms are present in the return, they will automatically print behind Schedule K-3 in the K-1 copy of the return.

 **Important Note:** Due to the addition of Schedule K-3 to the K-1 print package (when applicable), print preview, print K-1 copy, and printing of K-1 packages may take considerably longer. As a best practice, you can print the K-1 copy or K-1 packages through Batch Manager. See [KB article 32444](#) for batch printing instructions.

**New York Passthrough Entity (PTE) Tax.** The state of New York has provided worksheets on the state website for determining PTE due. We plan to provide these worksheets to calculate PTE due as well as to report out the PTE credits by Shareholder/Partner. Since requirements to produce and upload a file to the website for filing were just announced, we do not yet have a projected date for delivery.
