

Release 2020-4.1  
July 2021

# CCH Axxess™ Workstream

## Welcome to CCH Axxess Workstream 2020-4.1.

This bulletin provides important information about the 2020-4.1 release of Workstream. Please review this bulletin carefully. If you have any questions, additional information is available on CCH [Support Online](#).

## Technical Corrections

---

### **Enhanced workflow when saving time entries on a route sheet**

In some instances, firms reported project edits made on the route sheet did not save when time entries also entered via the route sheet were saved and posted. Time entries and project edits now successfully post and save from the route sheet.
