## New in this Release

---

### Form Due Dates Updated

- ◆ Based on information from IntelliConnect™ and various jurisdictions, we have updated the due date calculations for our Form Due Dates library.
- ◆ We adjusted due dates for approximately 1,900 forms in the library, including adjustments for the following:
  - Due dates or extension dates which would fall on weekends or holidays are adjusted to the next business day.
  - Due date or extension dates which fell on weekends or holidays last year, but do not fall on a weekend or holiday in 2015, are adjusted to their correct business day due date.
  - Due date calculations that were changed by various agencies and jurisdictions were updated.
  - Extended due date calculations that were changed by various agencies and jurisdictions were updated.

### Additional Action Needed

You must reimport these forms into your Form Due Date library. Then, you must recalculate the forms on projects to track the correct due dates. For more information about reimporting and recalculating forms, search our Knowledge Base at <http://support.cch.com/answers/> and search for "reimport" or "sw41051." You can also contact our Technical Support team directly at 1-877-977-9PFX (9739), option 4, or online at <http://support.cch.com/suite>.
