### ProSystem fx Workstream

Technical corrections have been provided which assure that:

- ◆ Project and workstep dates are accurately calculated:
  - Based upon the dates and rules specified at the Master and Type levels.
  - When an actual start or finish date is specified.
- ◆ Calculated project and workstep completion dates fall beyond the corresponding start date.
- ◆ Workstep dates are retained when selecting [OK] on the “Confirm planned workstep dates” screen presented during project creation.
