New in this Release

2021 Extension Forms

Extension Forms are now available for Tax Year 2021. This patch is only needed if you print extension forms from Practice Management.

Getting Started with this Release

This download is supported for version 2016.16.04 or higher. If you have not installed 2016.16.04 or higher, you must install the latest version of Practice Management before downloading this patch.

Downloading a Patch

To download a patch, do the following:

1. Go to support.cch.com.
2. Under Support - Product Support, select CCH[®] ProSystem fx[®] Practice Management.
3. Select Updates.
4. Select to download the 2021 Extension Form Update only self-extracting file.
5. You will be asked to either RUN or SAVE the update. We recommend saving the file to a temporary location rather than running it from the website. The temporary location must reside on a workstation that has Practice Management installed. You do not need to run this update from the server.
6. Once saved, double-click the CCH ProSystem fx Practice Management 2021 Extension Form Update.exe file to initiate the update.
