

## **ProSystem fx Tax v. 2009.05040**

### **New York MTA Two-Year Comparison Scan**

An issue has been identified regarding certain New York MTA returns. The prior year tax number for MTA returns was not included as a Pro Forma item when the two year comparison was also in the return; this number is necessary for purposes of the 2010 Form MTA-9 exception calculation. This issue will be resolved on Release 2009.05050.

This scan identifies all returns containing a New York Form MTA-6 and a two-year comparison.
