Common Information for the 2019.03050 Release

Data security is a significant priority for Wolters Kluwer, and we will be requiring 2-Step Verification/MFA across all CCH CCH[®] ProSystem fx[®] web-based software solutions as of Thursday, May 28, 2020.

Make Sure All Staff Profiles Include a Phone Number and E-Mail Address

While customers currently have the ability to disable 2-Step Verification at the firm level, this option will no longer be available as of May 28, 2020. **Additionally, please ensure that each of your staff members has a valid phone number and e-mail address in their staff profile.** Including a valid phone number in each staff profile is imperative, as the e-mail option to receive an access code will be removed on our upcoming release in November.
