#### Grid View - Locations

We are excited to announce that SureTax now offers a new grid view for managing locations. In addition to the current tile view, users can now utilize the grid view to easily add and manage their locations. The grid view provides a more streamlined approach to data entry and modifications, allowing for easier management of location information in addition to filtering and sorting. To access the grid view for locations, simply navigate to Configuration > Locations and select the grid view icon on the left side of the screen.
